## PYO Products

### Pumpkins (September-October)

Wegmeyer Farms grows more than 20 varieties of pumpkins! Our pumpkins are grown using conservation no-till practices, making for clean, well-rounded pumpkins and a mud-free picking environment. A wide selection of gourds, corn stalks and straw are also available for all your fall decorating needs.

### Strawberries (May-June)

At Wegmeyer Farms, we provide a unique opportunity to enjoy delicious, juicy strawberries “as fresh as it gets” through our pick-your-own fields. We also offer pre-picked berries. Our strawberries are grown on raised plastic beds for easy picking and clean berries.

### Raspberries (September-October)

Wegmeyer Farms grows two different varieties of raspberries - Heritage and Caroline - offering superior large, sweet red raspberries.

### Blackberries (June-July)

Three different varieties of blackberries - Apache, Arapaho and Ouachita - are grown at Wegmeyer Farms. All three varieties are grown on thornless vines making for easy picking.

## PYO Club Benefits
